Materials: Water, towel, small journal/spiral notebook, hand wraps, and clothing and footwear appropriate for a variety of exercises. (No jeans or khakis.) Improper attire may result in the student not being permitted to participate as movement may be hindered.

Objectives:

1. Learn different techniques of kickboxing exercises and strength and conditioning exercises.
2. Learn to modify different exercises (i.e. intensity, impact, style) to suit one's fitness abilities.
3. Discover a cardiovascular exercise regimen he/she enjoys and make it a regular part of a healthy lifestyle.

Course Evaluation: Your grade in this course will directly reflect your effort and daily class participation. Simply showing up does not guarantee an "A" in the class. A positive attitude and a willingness to participate will ensure a good grade as well as a rewarding class experience. Student Learning Outcomes listed in General Course Syllabus will be evaluated as follows:

Participation, Attendance, Attitude, & Skill Mastery (3 pts/day)	60 points
Worksheets/Assignments/Assessments	30 points
<u>Final Exam</u> (All attendance points, 0 tardies, good attitude, & A average = final exam exemption)	<u>10 points</u>
Total	100 points

Attendance Policy:

1. There are NO excused absences! All absences are equal.
2. 3 absences = one-letter grade penalty will be subtracted from your final grade
3. 5 absences = student will be dropped from class
4. If the fifth absence occurs after the drop date, you will receive an "F" for the course.
5. Non-participating notation—NP—will be recorded if a student is unable to participate, but does attend class. However, 2 NPs = 1 ABSENCE. There is a LIMIT of 2 NPs per semester. NPs are for illness only. (If you have any reason that prevents you from participating for an extended period of time, you need to withdraw from the course.)
6. Be on time to class! Class begins at the exact time listed on your schedule.
7. 3 TARDIES = 1 ABSENCE. Depending on the amount of time you are late, I will determine if it will be recorded as a tardy or absence. Same rules apply when a student LEAVES CLASS EARLY.
8. In certain situations, classes may be made-up to avoid grade penalties outlined above. (See me if this occurs.) A MAXIMUM OF 2 CLASSES MAY BE MADE UP.

General Guidelines:

- Cell phones must be turned OFF! (*If your phone rings, buzzes, or flashes you will lose one letter grade!*)
- No foul language
- No inappropriate clothing
- No food or drink except water (*Do not eat a heavy meal or consume energy drinks before class!*)
- No headphones
- No hats/caps – Tie long hair back
- No whining!

***** Remember: You will get out of this class what you put into it!*****

Fall 2020 COVID Addendum to Syllabus

1. The majority of the workouts will be videoed and submitted online using the GoReact link in Blackboard to limit possible exposure to COVID during group exercise. These recordings need to be done in an area where you have plenty of room to move freely and make the most of your workout. You need to have the resources available to record yourself doing the workout (strong wifi connection, computer/iPad/phone, etc.). Please be aware that technical difficulties are always a possibility. To avoid having to redo your assignment, I recommend always videoing with a backup device.
2. Possible face-to-face meeting dates will be decided/adjusted by the instructor as the semester progresses. These will be communicated to students through Blackboard Announcements and email. As of now, we will meet face-to-face during your scheduled class time on the following dates:
 - a. August 24-27
 - b. September 16-17
 - c. October 12-13
 - d. November 2-3
 - e. November 16-19

(REMEMBER: These dates are subject to change. Leave your schedule available to meet face-to-face for all dates & times you registered for this class.)

3. Regarding the make-up class policy listed in #8 of the “Attendance Policy”: All students will be allowed 4 make-up classes instead of the usual 2 make-up classes. I recommend using these only if you become too sick to do the workouts. In case of illness it may become necessary for you to use this option, so please use these make-up classes wisely.
4. You will have 2 days to complete each workout: You will have Monday and Tuesday to complete, record, and submit Workout #1 each week. #1 will be due Tuesday before midnight each week. You will have Wednesday and Thursday to complete, record, and submit Workout #2 each week. #2 will be due Thursday before midnight each week.
5. Along with other required materials, you will need to either purchase the following or find comparable equivalents within your home:
 - a. Exercise mat
 - b. Dumbbells
 - c. Stability ball
 - d. Medicine ball
